Kind Attn: Mrs. Purvi Thakkar

Dear Madam

Performance of Vertical Axial Flow Pump VAF-12

Further to your request we are submit the following:

We are using JEC Make VAF-12 (Sr. No. P4070010222) WCB having SS 410 shaft of 2.0 meter length since April 2022 for WATER.

Pump is reliable and performs according to the design parameters. We are satisfied with the performance and quality of the pump.

Thanks & Regards,

For, CREATIVE ENGINEERS

Mr Gaurang Shah
